Hours of operation are 12:00 noon to 5:00 pm each Friday; 10:00 am to 6:00 pm on each Saturday; and 10:00 am to 3:00 pm each Sunday. All merchants are required to be open these hours at a minimum. All merchants are expected to work in cooperation with the Market Village Merchants Association. The Association often schedules extended hours for special events and early or extended season. It is hoped all merchants will choose to participate in any extended hours established by the Association. Each merchant may elect, on their own, to be open additional hours.
